01:06:23 Elisabeth Brierley: It's worth noting that abcd ran a webinar earlier this year with CN Lester (author of Trans Like Me and professional music) entitled Working with trans singers: practical approaches to musical inclusivity. If you're interested to access this webinar, the webinar recording and handout can be accessed for £5. Do drop me an email at elisabeth.brierley@abcd.org.uk and I can organise this.
