The Winter it is Past

The winter it is past, and the summer comes at last
And the small birds sing on ev'ry tree;
The hearts of these are glad, but mine is very sad,
For my love is parted from me.

The rose upon the brier by the waters running clear
May have charms for the linnet or the bee:
Their little loves are blest, and their little hearts at rest,
But my lover is parted from me
